SUMMARY

I am a computer science graduate with a relentless drive for learning and advancement in the tech industry. My goal is to excel as a Frontend Developer, and I bring a strong foundation in HTML, CSS, JavaScript, and React to achieve this.

With a portfolio of more than 10 completed projects in HTML, CSS, and JavaScript, I have not only acquired a comprehensive skill set but also demonstrated my ability to deliver practical results. Additionally, my one-month internship at Codsoft has provided me with valuable real-world experience.

I am actively pursuing a junior position as a Frontend Developer, eager to contribute my knowledge, enthusiasm, and dedication to a team focused on creating exceptional web solutions. My passion for growth and innovation makes me a valuable asset in any dynamic development environment.
